# US TEST SAT/ACT

PRIVATE TUITION CLUB

If you are seeking to gain a place at a top US university or Ivy League school, Private Tuition Club offers a stable and in-depth SAT/ACT test programme tailored to your requirements. 100% of pupils working with us have experienced improvement in their grade compared to their diagnostic test, offering opportunities for study at elite US schools.

- 85% of pupils studying 30+ hours with us see a 200+ point improvement on their official SAT or a 5+ point improvement on their official ACT.
- 90% of students doing 50+ hours with us receive an SAT/ACT score within the target range of their first choice universities.

2021/22

# US TEST SAT/ACT

PRIVATE TUITION CLUB

- On average, there is a 7-8 points improvement per hour and 1 ACT point for every 4-5 hours of tutoring.
- We have helped hundreds of pupils to secure places at MIT, Harvard, Yale, Stanford, Columbia, UC Berkley, Cornell and other elite institutions.

Working with us is a commitment to excellence. It is an opportunity to work with Ivy League educated SAT tutors who hold over 10 years of SAT training experience- true experts in the field. Our proposal is accompanied by individual success stories from previous pupils. Precise examples reveal in-depth insight into SAT tuition success rates based on real cases.

# PRIVATE TUITION CLUB US TEST FEATURES

---

- Train with Ivy League educated tutors (Harvard, Yale, Brown University)
- Access an organised long term tuition programme led by a team of professionals with over 10yrs+ individual SAT teaching experience.
- Access two free 3.5hr diagnostic tests online administered by our US team and feedback to determine suitability for ACT or SAT pathways.
- Enjoy flexible tailored tuition to work around your busy schedule.
- Keep informed with monthly updates from your tutor on progress and testing performance through the PTC monthly feedback system, a unique practice in the education services field. Feedback will highlight strengths, weaker areas and tips on how to improve for the next month.

“

"My SAT tutors gave me the tools, approach, and feedback necessary to drastically improve my scores."
